# MUNDIALITO USA 2025

---

Today, soccer is synonymous with passion and hope; to achieve the greatest goal: **VICTORY**. This is reflected in the effort that each player leaves on the field.

Soccer is not only a sport, but also a lifestyle. It is a tradition of generations that is reflected in the simple of act for supporting a team and cheering them on every weekend with family or friends.

Boys, girls, teens and adults have grown up surrounded by soccer, practicing it or simply as observers. The fact is that it has always been part of our culture and society, providing emotions of joy or in some cases of sadness but at the end of the day it becomes that point of union between people.

For these and many other reasons, we firmly believe that soccer unites the cultures of the world through the same voice. Soccer can make everyone who believes in themselves and are capable of hard work achieve their dream a becoming champion.

Soccer can paralyze the world every four years with the greatest sporting event that exists: **THE WORLD CUP**. This is why we have developed the first international children's and youth event with the same characteristics as the greatest sport, called **MUNDIALITO USA**, with its first edition in Dallas/Forth Worth TX. The main stage being the emblematic AT&T Stadium, official home of the Dallas Cowboys, which will also be one of the venues for the **2026 WORLD CUP**.

*Join and be part of this great soccer experience!*
